About EuroSkills Herning 2025

EuroSkills Herning 2025 is the largest educational event in Danish history, bringing together 600 skilled young professionals from across Europe to compete for European Championship medals in 38 different skills, including craftsmanship, industry, and service.

EuroSkills Herning 2025 is a historic and unique opportunity to create more interest for the vocational educations. Among the up to 100,000 visitors are ten thousand of young people with interest in education, who experience the competitions, explore the many different areas and try the educations 'live' in special Try-a-Skill areas.

Event days:

Wednesday 10/09-2025 9:00 am – 17:00 pm

Thursday 11/09-2025 9:00 am – 17:00 pm

Friday 12/09-2025 9:00 am – 17:00 pm

Mandatory add-ons for the stand

Stand walls

Stands with 1, 2 or 3 open sides must purchase white stand walls (H:2,5 m) towards the neighbouring stand or the wall of the hall.

Price per meter wall towards the neighbouring stand: 400 DKK excl. VAT

Price per meter wall towards the wall of the hall: 800 DKK excl. VAT

Further add-ons for the stand

When we have agreed on your allocation, you will have the opportunity to purchase further equipment for the decoration of your stand.

We work with MCH Messecenter Herning, who offers both package solutions and single items.

You will receive a link and login for the webshop of MCH Messecenter Herning in the beginning of April.
